

Read the poem and discuss how you understand the parts in **bold**. Then give it an appropriate title.

What is wrong with the world, mother
People **live like they don't have a mother**,
I think the whole world is **addicted to the drama**
And only **attracted to things that'll bring you trauma**
Overseas, we try to stop terrorism
But we have still got terrorists living here in the USA,
the big **CIA, the Bloods and The Crips and the KKK**
But if you only have love for your own race
Then you **only leave space to discriminate**
And to discriminate only generates hate
And when you hate then you are **bound to get irate**

Madness is what you demonstrate
And that is exactly **how anger works and operates**
Nevertheless, you need to have love just to set it straight
To take control of your mind and meditate,
to **let your soul gravitate to love**.
People are still killing and people are dying,
Children are being hurt and you can hear them crying
Can you **practice what you preach**
And would you **turn the other cheek**
Father, Father help us
Send us some guidance from above
Because people are starting to wonder
Where IS the love?

It is just not the same, always unchanged
New days are strange, is the world insane?
If love and peace are so strong
Why are there pieces of love that do not belong?
Nations still drop bombs,
Chemical gasses still fill lungs of the little ones,
With ongoing suffering as the youth die young.
So ask yourself ...is the loving really gone?
So I could ask myself... what is going wrong?
In this world that we are living, where **people keep on giving in**.

Making wrong decisions, due to **visions of the dividends**,
Not respecting each other, **denying thy brother**
A war is going on but the **reason is undercover**
The truth is kept secret, it is **swept under the rug**
If you never know the truth, then you never know love
I feel the weight of the world on my shoulder
As I am getting older, people get colder,
Most of us only care about money making
Selfishness got us **following the wrong direction**
Wrong information is always shown by the media
Negative images are the main criteria,
Infecting the young minds faster than bacteria.
Kids want to **act like what they see in the cinema**.
Well, what has happened to the **values of humanity?**
What has happened to the fairness and equality?
Instead of spreading love we spread animosity,
Lack of understanding, leading lives away from unity
That is the reason why sometimes I'm **feeling under**
That is the reason why sometimes I'm **feeling down**
There is no wonder why sometimes I'm feeling under
I have to keep my faith alive until love is found.
